## GETTING BACK ON SPIRITUAL TRACK #1 - A HEART FOR GOD:

You may be surprised that I am preaching this series through the Old Testament books of first and second Kings. These books are rich in witness to God wanting to help his people get back on Spiritual track. The first is having a heart for God. First and second Kings are full of direction about keeping your heart turned toward God. 58 May he turn our hearts to him, to walk in obedience to him and keep the commands, decrees and laws he gave our ancestors. 1 Kings 8:58. 61 And may your hearts be fully committed to the LORD our God, to live by his decrees and obey his commands, as at this time." 1 Kings 8:61.

First and second Kings has a lot to say to us about the theme related to people's hearts. If you want to get back on track with God or stay on track with him your heart must be turned towards him. His heart is always turned toward you. He will never divert his gaze; he will never turn his face from you even if he doesn't like the life, you are living right now.
